Following roll call, the City Clerk explained that each precinct would be canvassed to verify that the ballots are properly accounted for and to consider any provisional ballots.

The attached printout indicates the total results as of election night. Said printout is attached hereto and incorporated herein as ATTACHMENT 1.

Each precinct was canvassed with the election information reviewed, provisional ballots and absentee ballots considered. The following indicates such information for each precinct:

PRECINCT NO. 9:

Inspection of the election information revealed that there were a total of 87 ballots cast (71 on Election Day, 13 early voting ballots and three (3) absentee ballots) with no provisional ballots for said precinct.

MOTION by Councilmember Ferrari, SECONDED by Councilmember Bowden to accept the information for Precinct No. 9. MOTION APPROVED UNANIMOUSLY.

PRECINCT NO. 14:

Inspection of the election information revealed that there were 212 ballots cast (156 on Election Day, three (3) of which were provisional ballots), 52 early voting ballots and four (4) absentee ballots. Two (2) of the provisional ballots were registered voters who moved into this precinct with the remaining provisional ballot being a poll worker working out of their precinct.

MOTION by Councilmember Ferrari, SECONDED by Councilmember Goff to accept the three (3) referenced provisional ballots. MOTION APPROVED UNANIMOUSLY.

MOTION by Councilmember Ferrari, SECONDED by Councilmember Goff to accept the information for Precinct No. 14. MOTION APPROVED UNANIMOUSLY.
PRECINCT NO. 19:

Inspection of the election information revealed that there were 145 ballots cast (110 on Election Day (one (1) of which was a provisional ballot), 35 early voting ballots and no absentee ballots. The one (1) provisional ballot was a registered voter who moved into the precinct.
